

STREET DRUGS

Friday
MAY 30, 2008

Libin Lecture Theatre
Health Sciences Centre
University of Calgary
3330 Hospital Drive NW
Calgary, Alberta

COURSE OVERVIEW

This course will appeal to persons involved in the assessment, treatment, and prevention of the use of street drugs by casual and long term users. Course content includes the demographics of street drug use in Alberta, types of drugs used and how they are used, social and medical aspects of street drug use, approaches to treatment, and prevention. This course will appeal to physicians and allied health staff in emergency, urgent care, and walk-in clinics; family physicians, psychiatrists, pharmacists, first responders, social workers, psychologists, nurses, mental health workers, rehabilitation workers, school counsellors, and educators.

Creating the future of health

LEARNING OBJECTIVES

- To identify the patients using street drugs in Alberta and the types of drugs they are using
- To learn about the social aspects of street drugs used in Alberta (ie different types of street drugs and how they are used, dosages commonly used, costs, possibility of addiction, effects on crime)
- To understand the medical aspects of street drug use (ie effects, side effects, toxic effects, toxidromes, recognizing addictions, additional risks for common drugs)
- To learn about efficacious treatment for patients who use street drugs during acute intoxication
- To learn about appropriate prescribing of potentially divertible medications
- To learn about resources available for follow-up and support for patients using street drugs and their care givers in Alberta

GENERAL INFORMATION

ACCREDITATION

The University of Calgary – Office of Continuing Medical Education and Professional Development is fully accredited by the Committee on Accreditation of Canadian Medical Schools (CACMS).

STUDY CREDITS

This program meets the accreditation criteria of The College of Family Physicians of Canada and has been accredited for up to 6.25 MAINPRO-M1 credits. This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada. This program has been reviewed and approved/co-sponsored by Continuing Medical Education and Professional Development, University of Calgary.

REIMBURSEMENT OF REGISTRATION FEES

Physicians may be eligible for reimbursement of registration fees and expenses to attend CME courses from a fund administered by the Alberta Medical Association. For more information regarding this, please call the AMA at (780) 484 2626 or 1 800 272 9680.

REFUND POLICY

A registration refund will be made upon written request prior to May 23, 2008. However \$30 will be retained for administrative costs. No refund will be made for cancellation after May 23, 2008. NOTE: Refunds are processed only on the return of original receipt. All receipts must be returned within 30 days.

CONFIRMATION OF REGISTRATION

Confirmation of registration will be in the form of a blue official tuition receipt. No other confirmation will be sent.

COURSE CANCELLATION POLICY

The Office of Continuing Medical Education and Professional Development reserves the right to cancel the course if there are insufficient registrations.

GENERAL INFORMATION

FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

Registration information is collected under the authority of the *Freedom of Information and Protection of Privacy Act*. The information you provide is required to register you in the course, prepare material for your use and will be used to notify you of other courses and/or pertinent information. Financial information is used to process applicable fees and is retained for future reference. The names and addresses of participants may also be shared with other legitimate educational institutions and professional associations who provide CME. If you have questions about the collection or use of this information, call Ursula Crosbie, Continuing Medical Education and Professional Development, (403) 220 3988.
