COURSE OVERVIEW

The vision of this course is to increase awareness of the expanding and integrating concept of addiction and its interplay with physical and mental health, in both acute and long term time frames. It will be of interest to a variety of professionals in healthcare, education and research (physicians, first responder, emergency and urgent care staff, psychologists, researchers, social workers, nurses, pharmacists, mental health workers, rehabilitation workers, counsellors, and educators).

COURSE OBJECTIVES

- To increase the knowledge of the significance of addiction in the community
- To promote collaboration and discussion among all individuals with an interest in addiction
- To identify the resources available for follow up and support for people with addiction

COURSE OUTLINE

0800 Registration & Continental Breakfast
